NOTICE OF ACTION TAKEN BY WRITTEN CONSENT
OF THE MAJORITY STOCKHOLDERS IN LIEU OF A MEETING OF STOCKHOLDERS

FEBRUARY [], 2014

**WE ARE NOT ASKING YOU FOR A CONSENT OR PROXY AND
YOU ARE REQUESTED NOT TO SEND US A CONSENT OR PROXY.**

Dear TransEnterix Stockholder:

The enclosed Information Statement is being furnished by the Board of Directors (the "**Board**") of TransEnterix, Inc., a Delaware corporation (the "**Company**"), to the holders of record (the "**Stockholders**") of our common stock, par value \$0.001 per share (the "**Common Stock**"), at the close of business on February 12, 2014 (the "**Record Date**"), pursuant to Rule 14c-2 promulgated under the Securities Exchange Act of 1934, as amended (the "**Exchange Act**"). The purpose of the enclosed Information Statement is to inform our Stockholders of action taken by written consent of the holders of a majority of our voting stock to authorize the Board to effect a reverse stock split of our Common Stock as further described below. As of the Record Date, there were 244,272,728 shares of our Common Stock issued and outstanding and no shares of Preferred Stock issued and outstanding. On February 12, 2014, the Company received written consents in lieu of a meeting of stockholders from holders of shares of Common Stock representing approximately 66% of the total issued and outstanding shares of capital voting stock of the Company (the "**Majority Stockholders**") to authorize the Board to file a Certificate of Amendment to our Amended and Restated Certificate of Incorporation (the "**Certificate of Amendment**") to effect, at a time within the discretion of our Board, a reverse stock split (pro-rata reduction of outstanding shares) of Common Stock at a reverse split ratio in the range of between 1-for-2 and 1-for-10 (the "**Reverse Stock Split**"), which specific ratio will be determined by our Board, in its discretion, prior to authorizing the filing the Certificate of Amendment.

The approval of the Reverse Stock Split, in a ratio determined by the Board, and effected by the filing of the Certificate of Amendment (the “**Action**”) was approved by the Board subject to obtaining subsequent stockholder approval. The Majority Stockholders approved the Action by written consent in lieu of a meeting on February 12, 2014. Accordingly, your consent is not required and is not being solicited in connection with the approval of the Action. The Certificate of Amendment (which includes the Reverse Stock Split) will become effective when we file the Certificate of Amendment with the Secretary of State of the State of Delaware. The Certificate of Amendment will not be filed, and will not become effective, until the date that is at least 20 days after the enclosed Information Statement is first mailed or otherwise delivered to our Stockholders. We have attached as **Exhibit A** hereto a form of the proposed Certificate of Amendment.

The Action taken by written consent was taken pursuant to Section 228 of the Delaware General Corporation Law, referred to as the DGCL, which provides that any action that may be taken at a meeting of the stockholders may be taken by the written consent of the holders of the number of shares of voting stock required to approve the action at a meeting. On such basis, in order to eliminate the costs and management time involved in holding a special meeting of stockholders, our Majority Stockholders approved the Action in accordance with the DGCL. This Information Statement is being furnished to all of our Stockholders in accordance with Section 14(c) of the Exchange Act, and the rules promulgated by the SEC thereunder, solely for the purpose of informing our Stockholders of the actions taken by the written consent before they become effective.

THE ACCOMPANYING INFORMATION STATEMENT IS BEING MAILED TO STOCKHOLDERS ON OR ABOUT FEBRUARY [], 2014. THIS IS NOT A NOTICE OF SPECIAL MEETING OF STOCKHOLDERS AND NO STOCKHOLDER MEETING WILL BE HELD TO CONSIDER ANY MATTER WHICH IS DESCRIBED HEREIN.

Sincerely yours,

Todd M. Pope
President and Chief Executive Officer

IN CONNECTION WITH THIS INFORMATION STATEMENT**

GENERAL INFORMATION

TransEnterix, Inc., a Delaware corporation, with its principal executive offices located at 635 Davis Drive, Suite 300, Morrisville, North Carolina, 27560, is sending you the attached Notice and this Information Statement to notify you of an action that the holders of a majority of our outstanding voting stock have taken by written consent in lieu of a meeting of stockholders. References in this Information Statement to the "Company," "we," "our," "us" and "TransEnterix" are to TransEnterix, Inc.

The record date for determining stockholders of record entitled to receive this Information Statement is February 12, 2014 (the "Record Date"). Copies of this Information Statement are being mailed on or about February [], 2014 to the holders of record on the Record Date of the outstanding shares of our Common Stock (the "Stockholders").

Action by Written Consent

The following action was approved by the written consent of the holders of shares of Common Stock representing approximately 66% of the total issued and outstanding shares of capital voting stock of the Company (the "Majority Stockholders") in lieu of a meeting of stockholders: to authorize the Board of Directors (the "Board") to file a Certificate of Amendment to our Amended and Restated Certificate of Incorporation (the "Certificate of Amendment") to effect, at a time within the discretion of our Board, a reverse stock split (pro-rata reduction of outstanding shares) of Common Stock at a reverse split ratio in the range of between 1-for-2 and 1-for-10 (the "Reverse Stock Split"), which specific ratio will be determined by our Board, in its discretion, prior to authorizing the filing the Certificate of Amendment (the "Action").

The approval becomes effective on the date that is 20 days after this Information Statement is first mailed or otherwise delivered to our security holders.

Stockholders Entitled to Receive Notice of Action by Written Consent

Stockholders may take action pursuant to a written consent in lieu of a meeting of stockholders, in accordance with Section 228 of the DGCL, which provides that the written consent of the holders of outstanding shares of voting stock, having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted, may be substituted for such a meeting. In order to eliminate the costs involved in holding a meeting, of stockholders, our Board elected to utilize the written consent of the holders of at least a majority in interest of our voting securities for the Action. As required by the SEC rules and in accordance with Rule 14c-2(b) of the Exchange Act, we will mail the Notice and Information Statement to all of our Stockholders on or about February [], 2014.

Only holders of record of our Common Stock at the close of business on the Record Date are entitled to notice of the action taken by written consent.

Effective Date of Action by Written Consent

Pursuant to Rule 14c-2 promulgated under the Exchange Act, the earliest date that the corporate action being taken pursuant to the written consent can become effective is 20 days after the first mailing or other delivery of this Information Statement. After the foregoing 20-day period, we will file the Certificate of Amendment with the Secretary of State of the State of Delaware, which filing will result in the Reverse Stock Split. We recommend that you read this Information Statement in its entirety for a full description of the action approved by the Majority Stockholders.

Dissenters' Rights of Appraisal

No dissenter's rights are afforded to our stockholders under Delaware law as a result of the adoption of the Action.

Costs of the Information Statement

We are mailing this Information Statement and will bear the costs associated therewith. We are not making any solicitation. We will reimburse banks, brokerage firms, other custodians, nominees and fiduciaries for reasonable expenses incurred in sending the Information Statement to beneficial owners of our Common Stock.

ACTION TO BE TAKEN

With respect to the Action described in this Information Statement, the Board reserves the right, notwithstanding that the Majority Stockholders have approved each action, to elect not to proceed with the Action if the Board, in its sole discretion, determines that it is no longer in the Company's best interests and the best interests of the Stockholders to consummate the Action.

CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING STATEMENTS

This Information Statement contains various "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, which represent our expectations or beliefs concerning future events. When used in this Information Statement, the terms "anticipate," "believe," "estimate," "expect" and "intend" and words or phrases of similar import, as they relate to us, are intended to identify forward-looking statements. We undertake no obligation to update, and we do not have a policy of updating or revising, these forward-looking statements.

**ACTION: APPROVAL OF A CERTIFICATE OF AMENDMENT TO THE AMENDED AND RESTATED
CERTIFICATE OF INCORPORATION TO EFFECTUATE A REVERSE STOCK SPLIT**

General – Reverse Stock Split

Our Board and the Majority Stockholders approved a reverse stock split in the range of between 1-for-2 and 1-for-10, which specific ratio will be determined by our Board, in its discretion, prior to filing the Certificate of Amendment. In determining which Reverse Stock Split ratio to implement, the Board may consider a number of factors, including the historical and then current trading price and trading volume of our Common Stock. Pursuant to the Reverse Stock Split, each number of specific shares of our Common Stock (between 2 and 10 depending on the ratio) will be automatically, without any further action by the holders of our Common Stock (the “Stockholders”), be combined and reclassified into one (1) validly issued, fully paid and nonassessable share of Common Stock, par value \$0.001. The Reverse Stock Split does not affect the number of the Company’s authorized shares of Common Stock or Preferred Stock; it only reduces the number of shares of Common Stock that will be issued and outstanding after the Reverse Stock Split in accordance with the Reverse Stock Split ratio. No fractional shares of Common Stock will be issued as the result of the Reverse Stock Split. Instead, any fractional shares will be paid in cash, based on the fair market value of a share of our Common Stock on the date the Reverse Stock Split is effected. The Company anticipates that the effective date of the Reverse Stock Split will be no earlier than 20 days after the date of mailing.

PLEASE NOTE THAT THE REVERSE STOCK SPLIT WILL NOT CHANGE YOUR PROPORTIONATE EQUITY INTERESTS IN THE COMPANY, EXCEPT SUCH MINIMAL CHANGE AS MAY RESULT FROM THE CASHING OUT OF FRACTIONAL SHARES.

Purpose and Effect of the Reverse Stock Split

Our Board believes that, among other reasons, the number of outstanding shares of Common Stock have contributed to a lack of investor interest in the Company and has made it difficult for the Company to attract new investors. Our Board believes that it may be necessary and prudent for the Company to amend our Amended and Restated Certificate of Incorporation to effect the Reverse Stock Split because it would reduce the number of outstanding shares of our Common Stock to a level more consistent with other public companies with a similar anticipated market capitalization. Additionally, a Reverse Stock Split will have the immediate impact, which may be maintained, of raising the trading price and the minimum bid price of our Common Stock on the Over-the-Counter Bulletin Board, which was \$1.65 per share as of February 11, 2014. If we had effected a one-for-ten Reverse Stock Split on that day, the minimum bid price would have been \$16.50 per share. We are interested in becoming listed on the NYSE MKT, which has a minimum bid price requirement for new applicants of \$2.00 per share. We believe that effecting the Reverse Stock Split will help us achieve such minimum bid price and allow us to meet the requirement to be listed. However, the effect of the Reverse Stock Split, if any, upon the sustained stock price for our Common Stock cannot be predicted, and the history of similar stock split combinations for companies like us is varied. Further, we cannot assure you that the stock price of our Common Stock after the Reverse Stock Split will be maintained in proportion to the reduction in the number of shares of Common Stock outstanding as a result of the Reverse Stock Split because, among other things, the stock price of our Common Stock may be based on our performance and other factors as well.

The principal effect of the Reverse Stock Split will be the reduction in the number of shares of Common Stock issued and outstanding from 244,272,728 shares as of February 11, 2014 to a range of approximately one-for-two shares to one-for-ten shares, depending on the ratio selected by the Board. Since no shares of Preferred Stock are currently outstanding, there will be no effect on the Preferred Stock. The Reverse Stock Split will affect all of holders of our Common Stock uniformly and will not affect any Stockholder’s percentage ownership interest in the Company or proportionate voting power, except to the extent that the Reverse Stock Split results in any of our Stockholders holding a fractional share of our Common Stock which will be paid in cash. The Common Stock issued pursuant to the Reverse Stock Split will remain fully paid and non-assessable. The Reverse Stock Split shall not affect any rights, privileges or obligations with respect to the shares of Common Stock existing prior to the Reverse Stock Split, nor does it increase or decrease the market capitalization of the Company. The Reverse Stock Split may increase the number of our stockholders who own “odd lots” of less than 100 shares of our Common Stock. Brokerage commissions and other costs of transactions in odd lots are generally higher than the costs of transactions of more than 100 shares of Common Stock or Preferred Stock. The Reverse Stock Split is not intended as, and will not have the effect of, a “going private transaction” under Rule 13e-3 of the Exchange Act. We will continue to be subject to the periodic reporting requirements of the Exchange Act.

The Reverse Stock Split, as effected by the filing of the Certificate of Amendment, will decrease the number of outstanding shares of Common Stock. Accordingly, more shares of Common Stock will be available for issuance as a result of the Reverse Stock Split. The Board believes that the availability of more shares of Common Stock for issuance will allow the Company greater flexibility in pursuing financing from investors, meeting business needs as they arise, taking advantage of favorable opportunities, and responding to a changing corporate environment. In January 2014, the Company filed a Registration Statement on Form S-3 to register for future sale securities of the Company with an aggregate value of \$100,000,000. The Registration Statement is commonly referred to as a “shelf” registration statement in that, once the Registration Statement is effective, the Company can initiate offerings of its securities as the need for capital arises. The Company expects that it will make an offering of its securities under the Registration Statement in 2014, but does not currently know the amount of capital to be raised or the terms of the securities to be offered.

No further stockholder approval is required to affect the Reverse Stock Split or to issue any additional shares of Common Stock.

Certain Risks Associated With the Reverse Stock Split

You should recognize that you will own fewer shares of Common Stock than you currently own following the Reverse Stock Split. While we hope that following the Reverse Stock Split the stock price of our Common Stock will be maintained or increased above the Reverse Stock Split-affected price, we cannot assure you that the Reverse Stock Split will increase the stock price of our Common Stock by a multiple equal to the inverse of the Reverse Stock Split ratio for any sustained period or result in the permanent increase in our stock price (which is dependent upon many factors, including our performance and prospects). Should the stock price of our Common Stock decline, the percentage decline as an absolute number and as a percentage of our overall market capitalization may be greater than would occur in the absence of a Reverse Stock Split. Furthermore, the possibility exists that potential liquidity in the stock price of our Common Stock could be adversely affected by the reduced number of shares of Common Stock that would be outstanding after the Reverse Stock Split. As a result, we cannot assure you that the Reverse Stock Split will achieve the desired results that have been outlined above.

Anti-Takeover Effects of the Reverse Stock Split

THE OVERALL EFFECT OF THE REVERSE STOCK SPLIT MAY BE TO RENDER MORE DIFFICULT THE CONSUMMATION OF MERGERS WITH THE COMPANY OR THE ASSUMPTION OF CONTROL BY A PRINCIPAL STOCKHOLDER, AND THUS MAKE IT DIFFICULT TO REMOVE MANAGEMENT.

A possible effect of the Reverse Stock Split is to discourage a merger, tender offer or proxy contest, or the assumption of control by a holder of a large block of the Company’s voting securities and the removal of incumbent management. Since the Reverse Stock Split will reduce the number of outstanding shares of Common Stock without reducing the number of authorized shares, the Company will be able to issue more shares of Common Stock after the Reverse Stock Split. Our management could use the additional shares of Common Stock available for issuance to resist or frustrate a third-party take-over effort favored by a majority of the independent Stockholders that would provide an above market premium by issuing additional shares of Common Stock.

The Reverse Stock Split and the increase in the relative number of authorized shares of Common Stock is not the result of an effort to accumulate the Company’s securities or to obtain control of the Company by means of a merger, tender offer, solicitation or otherwise. Nor is the Reverse Stock Split a plan by management to adopt a series of amendments to the Company’s charter or Bylaws to institute an anti-takeover provision. The Company does not have any plans or proposals to adopt other provisions or enter into other arrangements that may have material anti-takeover consequences. The reason for the Reverse Stock Split is to decrease the number of outstanding shares of Common Stock and sustain a stock price equal to or higher than the minimum bid price required by the NYSE MKT. Any issuance of additional shares of Common Stock also could have the effect of diluting any future earnings per share and book value per share of the outstanding shares of our Common Stock, and such additional shares could be used to dilute the stock ownership or voting rights of a person seeking to obtain control of the Company.

Procedure For Effecting Reverse Stock Split And Exchange Of Stock Certificates

We anticipate that the Reverse Stock Split will become effective no earlier than 20 days after the date of the mailing (the "Effective Date"). Beginning on the Effective Date, each stock certificate representing pre-Reverse Stock Split shares of Common Stock will be deemed for all corporate purposes to evidence ownership of post-Reverse Stock Split shares of Common Stock, as the case may be, and evidence ownership of the number of shares shown on such certificate reduced according to the Reverse Stock Split ratio.

Further, prior to filing the Restated Certificate reflecting the Reverse Stock Split, we must first notify the Financial Industry Regulatory Authority ("FINRA") by filing the Issuer Company Related Action Notification Form no later than ten (10) days prior to our anticipated date of the Reverse Stock Split.

STOCKHOLDERS SHOULD NOT DESTROY ANY STOCK CERTIFICATES AND SHOULD NOT SUBMIT ANY CERTIFICATES UNLESS AND UNTIL REQUESTED TO DO SO.

Fractional Shares

No fractional shares of Common Stock will be issued as the result of the Reverse Stock Split with any such fractional share paid in cash based on the fair market value of our Common Stock on the Effective Date.

EXHIBIT A

Article FOURTH is hereby amended to be and read in full as follows:

“FOURTH: Immediately following the filing and effectiveness of this Certificate of Amendment to the Amended and Restated Certificate of Incorporation (the “**Effective Time**”), and without any further action on the part of the Corporation or any stockholder, each currently outstanding [] shares of common stock of the Corporation will be combined and converted into one (1) share of common stock of the Corporation (the “**Reverse Split**”). No fractional shares shall be issued upon the Reverse Split. In lieu of the issuance of fractional shares and in accordance with Section 155 of the DGCL, the Corporation shall pay in cash the fair value of such fraction of a share immediately upon the consummation of the Reverse Split. Following the Reverse Split, each record holder of a certificate shall be deemed to be the holder of record of the number of shares of common stock as effected by the Reverse Split, notwithstanding that the certificates representing such shares of common stock shall not have been surrendered at the office of the Corporation. The Corporation shall, upon request of each record holder of a certificate, issue and deliver to such holder in exchange for such certificate a new certificate representing the reduced number of shares after giving effect to the Reverse Split. All further references to numbers of shares and all further amounts stated on a per share basis contained in this Certificate of Amendment to the Amended and Restated Certificate of Incorporation are referenced and stated after giving effect to the Reverse Split.

The aggregate number of shares of all classes of capital stock which the Corporation shall have authority to issue is 775,000,000, of which 750,000,000 shall be common stock, par value \$0.001 per share, and 25,000,000 shall be preferred stock, par value \$0.01 per share. The board of directors of the Corporation may determine the times when, the terms under which and the consideration for which the Corporation shall issue, dispose of or receive subscriptions for its shares, including treasury shares, or acquire its own shares. The consideration for the issuance of the shares shall be paid in full before their issuance and shall not be less than the par value per share. Upon payment of such consideration, such shares shall be deemed to be fully paid and nonassessable by the Corporation.

A description of the different classes and series of the Corporation’s capital stock and a statement of the powers, designations, preferences, limitations and relative rights of the shares of each class of and series of capital stock are as follows:

A. Common Stock. Except as provided in this Article (or in any resolution or resolutions adopted by the board of directors pursuant hereto) the holders of the common stock shall exclusively possess all voting power. Each holder of shares of common stock shall be entitled to one vote for each share held by such holder. There shall be no cumulative voting rights in the election of directors. Each share of common stock shall have the same relative rights as and be identical in all respects with all shares of common stock.

Whenever there shall have been paid, or declared and set aside for payment, to the holders of the outstanding shares of any class of stock having preference over the common stock as to the payment of dividends, the full amount of dividends and/or sinking fund or other retirement payments, if any, to which such holders are respectively entitled in preference to the common stock, then dividends may be paid on the common stock and on any class or series of stock entitled to participate therewith as to dividends, out of any assets legally available for the payment of dividends but only when and as declared by the board of directors.

In the event of any liquidation, dissolution or winding up of the Corporation, after there shall have been paid to or set aside for the holders of any class having preferences over the common stock in the event of

liquidation, dissolution or winding up of the full preferential amounts to which they are respectively entitled, the holders of the common stock, and of any class or series of stock entitled to participate therewith, in whole or in part, as to distribution of assets, shall be entitled after payment or provision for payment of all debts and liabilities of the Corporation, to receive the remaining assets of the Corporation available for distribution, in cash or in kind.

B. Preferred Stock. The board of directors of the Corporation is authorized, subject to limitations prescribed by law and the provisions of this Article, to provide by resolution for the issuance of preferred stock in series, including convertible preferred stock, to establish from time to time the number of shares to be included in each such series, and to fix the designations, powers, preferences and relative, participating, optional and other special rights of the shares of each such series and the qualifications, limitations or restrictions thereof.

The authority of the board of directors with respect to each series shall include, but not be limited to, determination of the following:

- (a) The number of shares constituting that series and the distinctive designation of that series;
- (b) The dividend rate on the shares of that series, whether dividends shall be cumulative, and, if so, from which date or dates, and the relative rights of priority, if any, of payment of dividends on shares of that series;
- (c) Whether that series shall have voting rights, in addition to the voting rights provided by law, and, if so, the terms of such rights;
- (d) Whether that series shall have conversion privileges, and, if so, the terms and conditions of such conversion, including provision for adjustment of the conversion rate in such events as the board of directors shall determine;
- (e) Whether or not the shares of that series shall be redeemable, and, if so, the terms and conditions of such redemption, including the date or dates after which they shall be redeemable, and the amounts per share payable in case of redemption, which amounts may vary under different conditions and at different redemption dates;
- (f) Whether the series shall have a sinking fund for the redemption or purchase of shares of that series, and, if so, the terms and amounts of such sinking fund;
- (g) The rights of the shares of that series in the event of voluntary or involuntary liquidation, dissolution, or winding up of the Corporation, and the relative rights of priority, if any, of payment of shares of that series; and
- (h) Any other relative rights, preferences and limitations of that series.

No holder of any of the shares of any class of the Corporation shall be entitled as of right to subscribe for, purchase or otherwise acquire any shares of any class of the Corporation which the Corporation proposes to issue or any rights or options which the Corporation proposes to grant for the purchase of shares of any class of the Corporation or for the purchase of any shares, bonds, securities or obligations of the Corporation which are convertible into or exchangeable for, or which carry any rights, to subscribe for, purchase or otherwise acquire shares of any class of the Corporation; and any and all of such shares, bonds, securities or

obligations of the Corporation, whether now or hereafter authorized or created, may be issued, or may be reissued or transferred if the same have been reacquired and have treasury status, and any and all of such rights and options may be granted by the board of directors to such persons, firms, corporations and associations, and for such lawful consideration, and on such terms, as the board of directors in its discretion may determine, without first offering the same, or any thereof, to any said holder.”
